## INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

## History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

#### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Sirs:

Replying to your letter of July 15, 1909, relative to the application of Mrs. Nellie B. Mabre, you are advised that the reason no minor children were enrolled with her was that she failed to include them in her application.

Children born after May 28, 1906 would not be entitled to share in this fund.

Very respectfully,

Special Commissioner.

Dear Sir,

When Mrs. Sallie B. Mabry, of Briartown, filed her application for participation in the Cherokee fund, she filed for her three minor children.

She is in receipt of a circular letter from you, dated June 10th, stating that you have enrolled her as entitled to participate, but the words "and your minor children" are erased.

She filed for three children, namely John, Ethel and Willie. Does not the fact that she participates entitle her children to the same privilege?

We have examined the rolls, and find that while her name appears thereon as entitled to participation, the names of her children do not so appear.

Thanking you in advance for any information which you may give us on this subject, we remain,

Yours truly,

Dear Sir: In reply to your letter of Jan 27, 1908  
of several inquiries in regards to application # ~~13750~~  
1st I was enrolled with Ned Smith on the "Old Settler Roll."  
in Illinois District. My brothers, Sam, Frank or (Eggsie)  
Willie Smith, and my mother was rejected here claiming  
her to be white woman. My mother's father was a Shelton & her  
mother's maiden name was Holt both of Tennessee, and both  
dead in 1851. My father Ned Smith, was an "Old Settler" and was Cherokee  
My uncle Robin Smith, and aunt Lydia Smith, were Old Settlers living in  
1851. My mother Susie Shelton was known as Susie Smith, in 1851.  
She came from Tennessee, and was brought to the Territory in  
1839. They proved her to be half breed Cherokee in Tennessee &  
sent her Certificate of Attachment in 1839 to this country, and  
at this date she was the wife of Jeff. Nivens.

I am claiming through my half-brother John Nivens who was a  
son of Jefferson Nivens, and Susie Nivens nee Shelton & latter Smith.

Yours respect

1. The first step in the process of creating a new product is to identify a market need. This involves conducting market research to understand what consumers want and what gaps exist in the current market. Once a need is identified, the next step is to develop a concept that addresses this need. This often involves brainstorming and prototyping to refine the idea. The third step is to create a business plan that outlines the financial aspects of the product, including costs, pricing, and revenue projections. This plan is crucial for securing funding and guiding the development process. The fourth step is to develop a prototype, which allows the team to test the product and gather feedback from potential users. Finally, the product is launched into the market, and the team monitors its performance and makes adjustments as needed. This iterative process is essential for the success of any new product development.

Nancy E. Henderson, --- being duly sworn,  
deposes and says:

My name is Nancy E. Henderson. I am 50 years old. I have lived in Tennessee, South Carolina, Ga., and a small portion of North Carolina. I never received any money from the Government. I claim the Cherokee (East) Indian blood. I claim through my father, Andrew Jackson Whitlock. He is dead. Died about 11 years ago. He was 68 years old. I do not know whether he was ever enrolled. My father was living in Habersham Co., in 1851. I have heard him say that some time or other our people would draw from the Government. I have heard my father speak about the Indians being driven away from this part of the country, and he spoke as if he thought it was wrong. I don't think my father ever lived with the Indians although I have heard him speak about being with them and seeing them hunt. My father was always recognized as white and Indian and never tried to keep his Indian blood secret. His mother was Nancy Barnes before marriage. I suppose she was a half Indian. I do not know whether she was ever enrolled. I can scarcely remember her. I do not know that she ever lived west of the Mississippi. She had two brothers Jim and Allen and a sister Sally. Nancy Barnes's mother was Milberry Talley. I never heard of her being called by any other name until she married Talley. She was a native of the East Cherokees. I have heard my aunt say that they were having papers fixed up for enrolling and just about that time the man died who had it in charge.

Henry Whittaker,

Polton, Banks Co., Ga.

Sir:-

Yours of the 5th inst. received. You have not answered the question as to whether or not you were ever owned as a slave by the Cherokee Indians or by white people. On which side do you derive your Indian blood? You state that you were raised by a man by the name of Whittaker. Was your mother owned by Mr. Whittaker or was she owned by a Cherokee Indian?

Your prompt reply will be appreciated.

Respectfully,

Chief Clerk.

Ma'am:-

You have on file in this office application 13745 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by right of your grandfather, James G. Bradley, a half-blood Cherokee Indian and his mother, Sylvia Sarah Bradley, who you state was a full-blood Cherokee Indian.

I have to advise that the names as you have given should get up on our roll of 1835 or 1841. Were you ever half-blood slave by the Cherokee Indians? Were your ancestors full-blood white people or Indians or mixed? If mixed, who was the white ancestor? Say were you not enrolled in 1851? Please give the history of your Indian ancestor, stating from your full-blood ancestor to you, if, and stating why none of your ancestors ever enrolled in 1835 or 1841.

Sincerely,

Special Commissioner.

App. #13747.

January 27, 1908.

Eli Christian,

Burton, Rabun Co., Ga.

Sir:-

You have on file in this office application #13747 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you are a great grandson of Abner Christian, who was a half-breed Cherokee Indian, and a son of Tom-horn, a full-blood Indian squaw.

I beg to advise that I cannot find the names of your ancestors on the roll of 1835, nor does the name of Christian appear upon the roll of 1851. As you were born in 1838, you should be upon the roll of 1851.

Were any of your people ever held as slaves by the Cherokee Indians? To what other race did your ancestors belong besides Indian--that is, were your people part Indian and part white or part Indian and part Negro? Please state the reason none of your ancestors were enrolled in 1835 and 1851, and why you, yourself, were not enrolled.

Respectfully,

Special Commissioner.

W. D. B.

Dear Sir:-

App. #13747.

Your favor of the 27th of January. Beg to say that a mistake was made in my name as will appear from affidavits attached hereto.

Yours very truly,

Eli Shallen.

Georgia, Habersham County.

Personally came before me, Eli Shatteen, who on oath says that he has filed an application for portion of fund appropriate for the Eastern Cherokee Indians, and that there has been a mistake made in his name as the same appears on said application #13747 as Chxistian, or Chastain, that the same should be Shatteen, and that the names of his ancestors should appear as Shatteen instead of Christain.

Deponent further swears that he was born March 2nd, 1848, not 1838, as appears on said application, that these mistake were made by the party filing out the application and not by or with the knowlegde or consent of this applicant.

Deponent further swears that that he is part white and part Indian, and neither he nor any of his ancestors have ever been held by anybody as slaves.

Francis M. Clayton,

Homer, Ga.

Sir:-

You have on file in this office application #13748 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by right of being a grandson of Silas Dayson, whom you say was a full-blood Indian. I cannot find the name of Dayson upon the roll of 1835, nor can I find your name or your mother's name upon the roll of 1851. Why was your Indian ancestor not enrolled upon the roll of 1835 or 1851, and why were you not enrolled upon the roll of 1851. To what race do your ancestors belong other than Indian--that is, were they white, red Indians or Negroes and Indians, and were you or any of your people ever held as a slave by the Cherokee Indians?

Your prompt reply will be appreciated.

Respectfully,

Special Commissioner.

Sir:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, indicate carefully the names under which you think your parents were enrolled in 1851, and state with whom they resided at that time.

Give the full English and Indian names of your grandparents, uncles and aunts on both sides. State where they resided in 1834-35, and when they moved west.

Were you enrolled by the Dawes Commission? If so, state your number and indicate on what roll your name was placed.

Very respectfully,

Special Commissioner.

Tom Pritchett being first duly sworn through Tom Roach, interpreter, deposes and says:

That I am 41 years of age. I am a full blood Cherokee Indian. My mother drew Old Settler money; guess it was along about 1851. She was very small at that time. Don't know whether my father drew any money or not as an Old Settler. My father was a little over fifty when he died and he died in 1903. I was named after my grandfather, his name being Tom Pritchett. Oo-gee-ah yah was the Indian name. Guess he was living in 1851. Mary Stand was the name of my father's mother. Da-gah-daw was her Indian name. William Miller tells me that he knew my father right after the war and that he was a pretty old man then. George Oo-gee-yah was the name of my father.

*Tom Pritchett*  
Signature of Witness.

Nancy Seabolt being first duly sworn, deposes and says:

*Pritchett*  
That I am 82 years of age. George Seabolt, the father of applicant, was a grown man in 1851. He wasn't married at that time. Thomas Pritchett, the grandfather of applicant, was living here in the West in 1851. George lived with his father until he married and then he came to Sequoyah District. It was then called Skin Bayou District. George had a sister named Akey. Akey has a daughter who was up here yesterday. Her daughter's Indian name is Sah-kinny. Don't know her English name. John Little John (16920) is a half brother of Tom Pritchett (13755). John's father is a white man. George was an emigrant Cherokee, not an Old Settler. I am certain that George is on the emigrant 1851 roll. He was living in Flint District. Think Lucy and Jinnie must have been the sisters of George. (See Tah. 67) Old Tom Pritchett was living in 1851. Don't know anything about his wife, whether or not she was living.

Rev. Dazier,

Hollingsworth, Ga.

Sir:-

You have on file in this office application 13767 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you are a great grandson of Dil-sia Dazier and that the said Dil-sia Dazier was a full-blood Cherokee Indian. I beg to advise that I cannot find her name upon the roll of 1835; nor can I find the names of any of your ancestors on the roll of 1835 or 1851. Please inform this office why none of your ancestors were enrolled upon the roll of 1835 or 1851. Were your people Whites and Indians, or Indians and Negroes? Were any of your people ever held as slaves by the Cherokee Indians. Your prompt reply will be appreciated.

Respectfully,

Special Commissioner.

Sir:-

Your letter of recent date, relative to your Eastern Cherokee application, is at hand.

In reply you are advised that there are no charges made for the investigation of your claim by this office, and no fees are charged for filing your claims. This office has nothing whatever to do with the charges which may be made by your attorneys.

The \$1.00 you refer to as having paid was probably charged for the Notary's fee, but as to this we have no knowledge.

Very respectfully,

Hollingsworth, Ga.

Sir:-

You have on file in this office application #13768 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you are a great grandson of Bill Blake, a full-blood Cherokee Indian. I beg to advise that the name of Bill Blake does not appear upon the roll of 1851; nor do the names of any of your ancestors appear upon the roll of 1835 or 1851. Please inform this office why the said Bill Blake and your other ancestors were not enrolled in 1835 and 1851, if living at that time. Were your ancestors Indians and Negroes or Indians and Whites, and were any of your people ever held as slaves by the Cherokee Indians?

Respectfully,

Special Commissioner.

Sir:-

You have on file in this office application #13770 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state you were born Mar 28, 1836, and that you are a grandson of Jim Nutt, a full-blood Cherokee Indian.

I beg to advise that I cannot find the name of Jim Nutt on the roll of 1835; nor can I find any of your ancestors who were descendants of Jim Nutt on the roll of 1835 or 1851; nor does your name appear upon the roll of 1851, as it should, as you were born in 1836, and if, as you claim, you are an Eastern Cherokee Indian. Do you know any one of your ancestors were ever enrolled? Were your ancestors whites and Indians or Negroes and Indians, and were any of them ever held as slaves by the Cherokee Indians?

Respectfully,

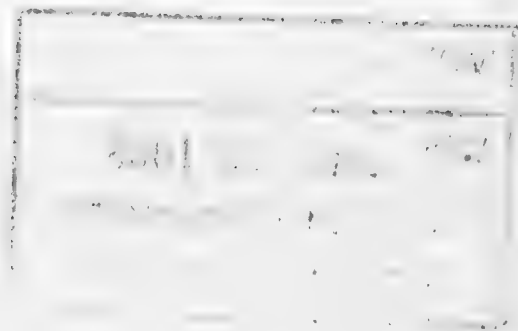

Special Agent in Charge.

Sir:

Relative to the claim of Jasper L. Hopkins, #13770, for participation in the Eastern Cherokee fund, you wrote us sometime ago that you would have him answer our letter of January 27, 1908, but up to the present time we have not received the information requested therein. About two weeks ago we notified him to appear before a representative of this office at Maysville, Georgia, to give testimony in regard to his claim, but he failed to be present. Unless, therefore, he can furnish us with this information, his claim will be rejected. The information necessary to finally pass upon his application is as follows:

- 1/ Why were his parents and grandparents never enrolled?
2. Was his grandfather, Jim Nutt, ever known by any other name? We do not find "Jim Nutt" on the roll.
3. Where was he (Jasper L. Hopkins) living in 1851, and why was he not enrolled at that time?
4. Were his ancestors white people and Indians, or colored people and Indians?
5. Were any of his ancestors ever held as slaves? Is he himself ever a slave?

State clearly all his reasons for thinking he is entitled to share in this fund.

An early reply will be appreciated, referring to No. 13770/

Special Commissioner,

Alice Knox,

Homer, Ga.

Sir:-

You have on file in this office application #17771 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state you are a granddaughter of John Nail and his wife, Lettie, who are full-blood Cherokee Indians.

I have to advise that the names of John Nail and his wife Lettie do not appear upon the roll of 1835; nor do the names of any of your ancestors appear upon the roll of 1851. Please inform this office why your parents and your Indian ancestors were not enrolled upon the roll of 1851 if living. Were your grandfathers and Indians or Negroes and Indians?

Your prompt reply will be appreciated.

Respectfully,

Special Commissioner.

My name is Sanford Townsend. I am 57 years old. I have lived in Georgia all my life. I claim Cherokee Indian blood. I was never enrolled. I was a small boy at that time. I never applied for any money before this. I never lived with the Indians. I have been with them. I claim Indian blood through my father Sandy Townsend. He said he was a full-blood Cherokee Indian. He was never a slave. He went west and came back in 1861. He stayed six or seven years. He stayed with the Indians and belonged with them. I never heard him say about attending councils. Wattee Townes was his father. My mother was Sindy Daniel. She had one-half Cherokee blood. I don't know that she was ever enrolled. I never saw my mother. I can't tell you anything about where she got her Indian blood. This is all I know about my case.

Sir:-

You have on file in this office application 15774 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state you are a son of Sanford Townes, who was a full-blood Cherokee Indian and Ginda Townes, nee Daniel, who was also a Cherokee Indian.

I beg to advise that the name of Townes does not appear upon the roll of 1851; nor does the name of Charles Daniel, your father's Indian ancestor, appear on said roll. Please inform this office why your full-blood ancestor was not enrolled in 1851 and why your father and mother were not enrolled in 1851, as you state they were living at that time. Were your people United and Indians, or Negroes and Indians? Were any of them at any time held as slaves by the Cherokee Indians? Were you ever held as a slave?

Your prompt reply will be appreciated.

Samuel Archer,  
Commanco, Ga.

Sir:

You have on file in this office application 17776 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you were born in Alabama in 1848, and that you are a grandchild of Frank Terrell, a full-blood Cherokee Indian.

I beg to advise that the name of Frank Terrell does not appear upon the roll of 1837; nor does the name of your mother, Minerva Terrell, or your father, who appears upon the roll of 1837. Please inform this office why you and your ancestors were not enrolled in 1837, and why your full-blood ancestor, Frank Terrell, was not enrolled in 1837. Have your people of White and Indian or Negro and Indian descent, and were any of them, or were they ever held as a slave?

Very respectfully,

Sir:-

I have on file in this office application 18780 for a  
roll of the many names of the Western Cherokee Indians,  
in 1801. You state that you are a grandchild of Katy Noble,  
a full-blood Cherokee Indian.

I beg to advise that the name of Katy Noble does not  
appear upon the roll of 1801; nor does that of your mother, Lettie  
Helen, nor Noble, appear upon the roll of 1801. Please  
inform this office why your full-blood ancestor, Katy Noble, was  
not enrolled in 1801, and why your mother was not enrolled in 1801,  
or you state she was living at that time. Were any of your  
people ever listed as slaves in the Cherokee Indian roll? To what  
tribe would all your ancestors belong--that is, were  
they Indians and Negroes, or Indians and Whites?

Respectfully,

Special Commissioner.

You are the one who has the right to know the share of the money appropriated for the Eastern Cherokee Indians, in which you state that you are a great grandchild of a. I am, a full-blood Cherokee Indian.

Your prompt reply will be appreciated.

George H. Neill,

Mt. Airy, Wilkes Co., Ga.

Sir:-

You have on file in this office application 15784 for a  
certificate of citizenship for the Eastern Cherokee Indian,  
in which you state you base your right by being the grandson of  
Mac Neill, a full-blood Cherokee Indian. Please inform this  
office why the said Mac Neill was not enrolled in 1835 if living  
at that time, and why his son, Jeff Neill, your father, was not  
enrolled in 1851, and, as you were born June 16, 1843, you should  
have been enrolled. Why were you not enrolled in 1851? Were  
you ever a slave and Indian or Negro and Indian? Were you  
or your father, or your mother, ever held as a slave by a Cherokee  
Indian?

Your answer will be appreciated.

Respectfully,

Special Commissioner.

My people  
were Indian and Negro. Mae

were born slaves. Thus Jeff was a

No enrollment of the slaves was

App. #13785.

January 27, 1908.

M. Elizabeth A. New,  
Cornelia, Habersham Co., Ga.

Sir:-

You have on file in this office application #13785 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you are a great granddaughter of Long Hair, Full-blood Cherokee Indian.

I wish to advise that the name of Long Hair does not appear upon the roll of 1832; nor do the names of any of your ancestors appear upon the roll of 1851. Do you have for any reason why your full-blood ancestor, Long Hair, was not enrolled in 1832, or why your parents were not enrolled in 1851, as you state they were living at that time? To what race of people did your parents and ancestors belong--that is, were they Indians or whites or a mixture of the two, and were any of your people ever on the roll of the Cherokee Indians?

Very truly,  
S. M. H. H.

Special Agent in Charge.

July 21, 1899.

~~James~~ Herbert Brown,

Cornelia, Ga.

Friend:

With reference to your inquiry in relation to  
in the Eastern Cherokee Band, please state whether your parents  
and grandparents were enrolled in Cherokee Indians in 1881,  
in 1882 and 1883.

Please state when and where your parents and grand-  
parents were born and where they resided for twenty years prior  
to the Civil War.

Also state how you and your parents and your grand-  
parents were recognized in the communities in which you and they  
lived; whether as the people, "Cherokees," or Indians.

Also state whether your parents and grandparents  
lived among the Indians, or were taken to the Indian land of  
their mothers.

If possible, send to me the names of any old  
persons who were born in the same community as your  
Indian and Indian.

Very respectfully,

James H. Brown.

Jack Henson,

At Airy, Habersham Co., Ga.

Sir:-

You have on file in this office application #13788 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by right of being the great grandson of Little Bear, whom you state was a full-blood Indian.

I beg to advise that the name of Little Bear does not appear upon any roll of 1836; nor does the name of your grandfather, Little Bear, appear upon the roll of 1837, or your father's name upon the roll of 1891.

As you were born prior to 1890, your name should appear upon the roll. For what year your ancestors were listed in 1836 and 1837? Please state the names if you have any.

To what race or people did your ancestors belong--that is,

were they of the Iroquois, Delaware, or Indian? What was the name of your mother?

Very respectfully,

Wm. C. Henson.

Dr. Sir:

Your communication to Jack Vernon relative to Application #13788 for a share of the money appropriated for the Eastern Cherokee Indians is handed to me with a request to reply.

Jack says it is true Lottie Bush was a full blooded Indian but being held as a slave was not enrolled in 1835 - same reason for non appearance of name on rolls of Winnie Cobb my Grand Mother - she was held as a slave being united to a Negro and bearing children by him - my Mother was given the name of Family - Jackson - then Vernon and was a slave in 1851 and until the Emancipation Proclamation.

#  
2  
Jack Simons was born a Slave  
Indian and Negro- and shows  
the blood to-day. Mother is  
over 80 years old - shows  
her Indian blood. No record  
was kept of the Slaves in  
those days save by the  
Masters Jack was 65 years  
old last June.

Dear Sir,

The inclosed application of Davis Hornbuckle as father of four minor children is inclosed herewith.

Three of these children, viz. Daniel Hornbuckle aged 10, Johnson Hornbuckle aged 8, Andy Hornbuckle, aged 4, were left destitute and suffering, by the death of their mother, Martha Hornbuckle.

Their father had done nothing for their support, and I had the Court appoint Sallie Catt, of Almond, N.C. their Guardian to care for them.

She filed application in their behalf, which application was forwarded to you in my letter of December 27, 1906.

I respectfully ask that the payments to these three children mentioned above be made through their guardian.

Very respectfully,

Sir:-

Replying to your letter of September 4, 1907, you are advised that it is not necessary for claimants to employ attorneys to represent them in the matter of the enrollment of the Eastern Cherokees, unless their cases are very complicated.

However, if claimants desire to employ attorneys the matter of fees is entirely between themselves and their attorneys.

This office has no agents employed to file claims and represent claimants in this matter, and the card receipts forwarded to you are for your own use, unless you desire to place them in the hands of your attorney.

Very respectfully,

Special Commissioner.

Sir:-

You have on file in this office application #13800 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you were born December 12, 1848 in Hamilton County, Indiana, and that you claim to share in 6943 (part of) of your mother's share of the money appropriated for the Indians of Hamilton County.

I beg to advise that I cannot find your mother's name on the roll of 1851, and, as she was living in Hamilton County, Indiana, naturally she would not have been enrolled. The roll of 1851 shows that all the people in 1851 are living at that time. It is your duty to make a list of the Cherokee Indians and of those who were born in 1851, were they born in the East or West. When did your mother's ancestors live in 1851? If they were in 1851, of the Indian population, would you like to see I can locate any to yourself and state it, if you have the name, your mother's ancestors who are enrolled.

Very truly,  
Sincerely,

Francis Burden being first duly sworn deposes and says:

I am 43 years old. I live in Kokomo, Ind. I know Levi H. Winburn, he is my uncle, my father's brother. I claim my Indian blood through my father, Harmeduke Winburn, he has been dead for over 40 years. I claim my Indian blood through my mother as well as through my father. He of course has the same Indian ancestors as my uncle Levi H. Winburn, but my mother, Annie Winburn, Brooks before she was married, was the daughter of Guilford and Dicey Brooks. Grandfather Guilford Brooks was the son of a full blood Cherokee Indian, and I have forgotten his name. Dicey Brooks was a mixed blood. Dicey Brooks came from Halifax County N.C. about 58 years ago. My mother was born down there and was about 6 months old when her mother came up here. Guilford Brooks came up at the same time and he was born and raised in Halifax County, N.C. He was about 9 years old when he died. And I was a baby at that time. None of my ancestors were held as slaves. In the neighborhood in which I live I am recognized as a colored person. But I am often spoken of as an Indian on account of my resemblance to an Indian woman.

I am 47 years of age, and I claim my Indian blood through my mother, Olive Sweat, who now lives at Indianapolis, Ind. Her maiden name was Winburn, and she is a sister of Levi H. Winburn, #13800, who testified here yesterday. I claim my Indian blood the same as Levi H. Winburn.

Levi H. Winburn being first duly sworn deposes and says:

My name is Levi H. Winburn, and I am 57 years of age. I claim Cherokee Indian descent through my mother. My mother's name is Mesiah James before her marriage. I was born in Hamilton County, Ind. My mother was born in Halifax County, N.C. She was 36 years old when she died, and she died about 20 years ago. She died in Hamilton County. She left Halifax County when she was about a young woman. She married when she was 15 years of age, and left N.C. two or three years after that. I know it was after the birth of her first child, Caroline Sweet. My mother was half blood Cherokee Indian. She never got any money from the Government on account of her Indian blood. I don't think it was as long as 15 years since her marriage that she left N.C. and came west. My mother got her Indian blood through her father Benj. James, who was full blood Indian. He was killed at Grand Rapids Mich. He came west at the same time as the rest of us.

The witness shows some Indian blood - but after saying his mother Mesiah James left N.C. - right after the birth of her first child - and proved as to the time of this removal - became uncertain to a marked degree - but was inclined to think it was not so long as 8 - 10 - or 15 years.

George L. Guy, being first duly sworn, deposes and says:

My name is George L. Guy, and I live at Whorley, Tenn. I was born in 1855, in Macon County, N. C. I claim to be connected by blood to the Cherokee tribe of Indians through my father. My father was with the Indians most of the time. My mother had some Indian blood in her. Neither of my parents had negro blood. My father lived in Cherokee Nation all his life. I mean Cherokee County, N. C. My father still lived in Cherokee County in 1885. My father's name was John Wolf. I could not tell you whether ~~whether~~ my father ever received any money from the Government. He was a member of the Cherokee tribe, he thinks. My father's father's name was Squirrel, and the Indians called him Saloe. I don't know the names of any of my uncles and aunts on my father's side. I don't know my grandfather's first name. I never tried to be enrolled because I did not know anything about it. I was living in Swain County, N. C. in 1882., but I did not know of any enrollment then. I know ~~kkw~~ Laudio, John. John Sawnooke, Will Vest, in Swain Co. N.C. I know Pheasant, Looking Glass, Wesley Crow (Yellow Hill N.C.) in Jackson County.

Henry Mc Allister being first duly sworn, deposes and says:

That I am 48 years of age and live in Meigs Co., Tenn. I claim my Indian descent thro my mother. My father is white. Both of my grandparents were 1/4 Cherokee Indian. They were born and raised in Blount Co., Tenn. Don't know whether they died there. I don't know whether they ever lived with the Indians or not. My mother was never on any roll that I know of, nor were my grandparents. I don't think there is any negro blood in me. I don't think either of my parents were ever held in slavery. Don't know whether my grandparents had any brothers and sisters. I am recognized as an Indian in my community. I never lived with the Indians. My uncle Dan Goins who lives at Cleveland, Tenn. may know more about my ancestry than I do. I never made application before for any benefits by reason of my Indian blood. My mother's other brothers lived near Cleveland the last I heard of them, but I don't know whether they are living or dead now. I was in Chattanooga and somebody met me on the street (I don't know his name) and took me to L. B. Jones' office and told me I had Cherokee blood in me and I made out my application. Before that I had not thought anything about it.

Applicant shows Indian blood to a marked degree and while he states that he hasn't any negro blood in him, would judge from his appearance that he had a small amount of negro blood. Seemed to know very little about his ancestors and was unable to produce any witnesses here who did. His uncle, Dan Goins, should be looked up to see if he has filed application. 701

1. The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as  $t \rightarrow \infty$ . It is shown that the solutions of the system (1) tend to zero as  $t \rightarrow \infty$  if and only if the matrix  $A$  is Hurwitz. This result is obtained by using the method of the variation of constants.

Fanny McAlister,

Decatur, Tenn. R.F.D. #2.

Sir:-

You have on file in this office application #13814 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your mother, Fanny McAlister, nee Goins, and your grandparents, Edward and Paddy Goins.

I beg to advise that the name of Goins does not appear upon the roll of 1835 or 1861. Was your mother, Fanny Goins, a full-blood Cherokee Indian, and, if not, to what race did she belong -- that is, was she Indian and white, or Indian and Negro? Was she ever held as a slave by the Cherokee Indians, or were your grandparents ever held as slaves by the Cherokee Indians? If your mother was not enrolled in 1861, as you state she was, when was that time? May we not see proof of your registration on the roll of 1861?

Your urgent reply will be appreciated.

Respectfully,

Special Commissioner.

I beg to advise that the name of Ray does not appear upon the roll of 1835 or 1851. Was your father, Asbury Ray, a full-blood Cherokee Indian, or to what race did he belong--that is, was he part Indian and part White, or part Indian and part Negro? Was he or either of your grandparents ever held as slaves by the Cherokee Indians? Why were none of your people ever enrolled in 1851, as they were living at that time?

Your prompt reply will be appreciated.

Mrs. H. W. Warner,  
McKinley,  
Louisiana.

Sir:-

Your letter of May 10, 1907, addressed to the Honorable Commissioner of Indian Affairs, has been referred to this office for reply.

You are advised that none of the applications have been taken up for final consideration as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 24,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Very respectfully,

Special Commissioner.

Sir:-

You have on file in this office application #13816 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state you claim through your grandfather on your mother's side, Daniel Eads.

I beg to advise that the name of Eads does not appear upon the roll of 1835 or 1837. As you state your mother Cynthia C. Edwards is alive, and as you state you claim through her, will ask, has she filed an application in this office. If so, what is the number of her application, and under what name has she filed? Why were your mother and your grandfather not enrolled in 1837? Where was your said grandfather born, and where did he reside in 1835? To what race other than Indian did your people belong? Are you positive that your ancestors were Cherokee Indians?

Respectfully,

W. A. L.

Special Commissioner.

Sarah White, after being first duly sworn,  
deposes and says:

I am 60 years of age; was born in White County, Ga. I claim my Indian blood through my mother. She was born in N.C. I have never received any Indian money from the government and never tried to get any before. My mother never received any Indian money. My mother lived in White County, Ga., when I was about three years of age. I have seen William Sutton. He lived in Cherokee County, N.C. He did not speak the Indian language. He was a farmer. Twenty-five years ago I lived in North Carolina. I never heard of a government agent being through there at that time. I first heard of my Indian blood from my mother and grandmother.

Sir:-

You have on file in this office application #13818 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your mother, Adaline White, nee Sutton. I beg to advise that the name of Adaline White, or Adaline Sutton, does not appear upon the roll of 1851. As you were born in 1849, why were you not enrolled, and why was your mother not enrolled?

Neither does your mother's father, William Sutton, appear upon the roll of 1851. Was your mother a full-blood Cherokee Indian, or was she part Indian and part White, or part Indian and part Negro? Was she, or were you, ever held as a slave by the Cherokee Indians?

Your prompt reply will be appreciated.

Respectfully,

C. W. Allen

App. #13831.

January 28, 1908.

Mary Bell Cass,

Kosh, Jackson Co., Ala.

Sir:-

You have on file in this office application #13831 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by right of your grandfather, Thomas Martin, and your mother, Sarah Ann Martin.

I beg to advise that neither of these names appear upon the roll of 1851, nor does the name of Thomas Martin appear upon the roll of 1856. Please inform this office why your mother and your grandparents were not enrolled. To what race other than Indian do your people belong--that is, were they Indian and White, or Indian and Negro?

Your prompt reply will be appreciated.

Respectfully,

Special Commissioner.

Appl. #13821

Mary B. Cass being first duly sworn, deposes and says:  
My name is Mary B. Cass. I live at Fabius R. F. D. # 1,  
Ala. I was born in Adams County, Ill. in 1859. I claim through  
my mother. My mother died in 1902. She was ~~born~~ about 64  
years old when she died. She was born in Polk County, Tenn.  
I claim through both my mother's father and mother. My grand-  
mother's name was Mary Ann Evans, and she married a Martin.  
My great grandmother on my mother's father's side was a  
Gallihor or Galliger. My grandfather and grandmother came from  
Tenn. They went to Ill. from Tenn. They went between 1835 and  
1851. I never heard of my mother or grandparents getting any  
land from the Government. I never heard of them being enrolled  
with the Indians. I ~~don't~~ ~~remember~~ ever speaking of my grandfather  
taking any part in tribal matters. The Cherokees visited my  
mother every year. ~~My grandfather and grandmother lived~~  
~~amongst the tribe. They stayed with them a great deal. My~~  
~~grandfather called them his people. In 1882 I lived in Dekalb~~  
~~County, Ala. I did not hear anything about an enrollment at~~  
~~that time. In 1851 my mother was living in Ill. Just after~~  
~~the war my mother and father came back to Tenn. I never applied~~  
~~before for any money or land.~~

Sir:-

You have on file in this office application #13832 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by right of your father, Fletcher Day, and that your grandfather was Joseph Day.

I beg to advise that neither the name of Fletcher Day or Joseph Day appears upon the roll of 1835 or 1851. Please advise this office why your father and your grandfather were not enrolled in 1851. You state that your father was a one quarter blood Indian. To what other race did he belong--that is, was he part Indian and part White or part Indian and part Negro? Was he or were you or any of your grandparents ever held as a slave by the Cherokee Indians?

Your prompt reply will be appreciated.

Respectfully,

Hiram T. Sims, being first duly sworn, deposes and says:-  
My name is Hiram Talton Sims. My postoffice is Smilax, Ala. I was born in 1857 in Jackson County, Ala. I claim thro my mother and her father and his father. My mother has been dead about ten years and was 64 or 65 when she died. I think she was born in Jackson Co. Ala. My great grandfather's name was Thrasher. Hiram Gibson, my grandfather, came from N. C. I think. He was captured from his mother by his father and carried to Ky. where he lived until he was nearly grown, and he run away and came to his uncle here in Stevenson. Ala. I never heard of my mother or grandfather getting any money or land from the Govt. I ~~never~~ heard that my grandfather and my mother were not enrolled. They were afraid that they would be taken off, and my grandfather had some malice against the Indians, for treatment that he received while with his father Thrasher in Ky. When the agents came to enroll them my grandfather was out hunting, and my mother did the talking with the agent. In 1882 I was living in Dade County, Ga, I think. I did not know there was any enrollment at that time. I think that my grandfather after he came back from Ky. lived with the Indians in Jackson County, Ala. until they went west. I don't know when that was. I think my grandfather voted with the white people. I think probably my great grandfather, Thrasher, came from N. C. I never heard of my mother's brothers or sisters ever getting any land or being enrolled. I never have been enrolled, or never tried to be enrolled. I have some relatives who claim through the same line as I do, I think. One was Hiram Gibson, and a widow, Nincey Gibson, who claims for her minor children. Dave and Andy Gibson of South Pittsburg. My mother lived with the tribe when she was small. I never heard my mother say anything about my grandfather taking part in any tribal proceedings. I have heard my mother say that when my grandfather went across the river to Cherokee Nation that they lived with the Indians.

Florence Sumner,  
Weir, Ga.

Sir:-

You have on file in this office application #13826 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by right of your great grandmother, Polly Ax, or Kullenix, and your great grandfather and grandmother on your mother's side.

I beg to advise that the names of your mother, Martha Whitacre, nee Lyon, and your father, Thompson Whitacre, or Whitmore, and your grandparents on your father's and mother's side do not appear upon the roll of 1831; nor do the names of your mother's ancestors, Daniel's, the you state were carried away from Georgia in 1830 and 1835, appear upon the roll of 1835.

You state under the head of remarks that about twelve or fifteen years ago you made a claim for Cherokee Strip money and the same was approved, but being young and unmarried you never went to get it. Have you any proof of this last statement? If so, please submit this office with same.

Do you know why your said ancestors on both your father's and mother's side were not enrolled in 1835 and 1831? Were any of your ancestors ever held as slaves? Are you of Indian and White blood, or Indian and Negro blood?

Respectfully,

G. W. Hall

Special Commissioner.

Walter Crittenden, being first duly sworn, deposes and says.

I am 22 years old. I claim my Indian blood thru both my parents. My mother drew in the Old Settler payment in 1896. My mother's side are Old Settlers. My father's name was Dick Crittenden. I do not know his Indian Name. My father got his Indian blood thru both his parents. My father's parents were Aaron Crittenden and Jane Crittenden, nee Drew. Jane was the third wife of Aaron Crittenden and she was nearly a full-blood Cherokee. Jane has a brother by the name of WILLIAM DREW but I do not know his present address. I think that he lived somewhere in the Indian Territory. Jane Drew was married before she married Aaron Crittenden. Her former husband's name Elias Foreman. Elias was not married to Jane in 1851. Jane Drew had another brother by the name of John, but he is dead. Jane Drew had no children born to her from her marriage to Elias Foreman. William Drew never had a family. I do not know his present age. John Drew never had a family in 1851. He has some children now living. He has a child living by the name of John Drew, Ft. Gibson, Okla. He is about 22 years old. I don't think that he is married. He has a sister by the name of Charlotte. She is married now and I do not know her P. O. nor the name of her husband. ( Mr. Eubanks tells me that he went to school with Jane Drew in 1851 and that she was not married in 1851; that she married Elias about 1856 or 1857:

Foreman

In 1851 Jane Drew was living with her mother who was married to a man by the name of George Taylor. He was a white man. I think that the mother of Jane was Lizzie or Eliza. ( See Fl. 508 )

I was enrolled by the Laws Commission under the name of Walter Crittenden;

Subscribed and sworn to before me this 30th day of March, 1909, at Tahlequah, Okla.

Assistant to the Special Commissioner of the U. S. Court of Claims.

William Eubanks, being first duly sworn, deposes and says:

I am 67 years old. I knew Dick Crittenden and also knew the father and mother of Dick. His father was very nearly a white man and his wife was nearly a full-blood. Her maiden name was Jane Drew. In about the year 1853 I went to school with Jane Drew. Her mother at that time was married to a white man by the name of George Taylor. The mother of Jane I think was Lizzie or Eliza. Jane had a sister by the name of Margaret, another named Cynthia. Jane drew was the oldest of the children. She had a brother by the name of John and James. James is the oldest.

Dear Nally,  
Tullogeah, Okla.

Dear:-

You have on file in this office application #13833 for a share of the money appropriated for the Eastern Cherokee Indians in which you state that you claim through John Nevins, your uncle, living as your father Willie and your mother, Adie Smith.

Please inform this office whether your parents were "Old Settlers"--that is, were your grandparents on both your father's and mother's side "Old Settlers"? How was John Nevins related to your father or your mother?

Do you know whether or not McCoy Smith and Frank Smith who are the sons of the late McCoy Smith are "Old Settlers"? You state under question No. 14, where you are asked whether your parents were ever enrolled for any annuities, lands or other benefits, "Old Settlers parents in Cherokee Nation". Do you mean by this that both your father and mother shared in the "Old Settler" payment?

Respectfully,

Louis Downing,  
Tahlequah, Okla.

Sir:-

You have on file in this office application #13838 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your father, Samuel Downing, and your grandfather, Louis and your grandmother, Lydia Downing.

I beg to advise that the names of your father and your grandfather do not appear upon the roll of 1861. Please inform this office whether your grandfather was alive in 1861, and whether he was living with your grandmother, Lydia Downing, at that time, and in what district? Under what name was he enrolled, and under what name and in what district was your father enrolled in 1861?

Have you any aunts or uncles who are descendants of Eastern Cherokee Indians and were alive in 1861 and have filed applications in this office? If so, please give their names and the numbers of their applications.

Respectfully,

END/ALL

Special Commissioner.

Appl. #13839

Lewis Downing being first duly sworn, deposes and says:  
My name is Lewis Downing/ I live at Tahlequah, Okla.  
15686 is my number on the Daves Commission. I suppose my father  
was an Immigrant Cherokee. I don't know. He was living in  
1851. His name was Samuel H. Downing. His father's name was  
Lewis Downing. I do not know what District he was living in  
in 1851. They were living in Saline Dist. when I knew them.  
My mother was born in 1847 and my father was five years older  
than she was. I remember where they had some trouble about  
my father's name. They called it Lemuel instead of Samuel.  
He had sisters Susanna, Emma and a brother named John. His  
mother was named Lydia. Susanne and John were younger than  
Sam. See D. S. Saline 48.  
My mother was an Old Settler.

Dear Sir:

Referring to your letter of the  
January 28<sup>th</sup> 1908, in reference to claim  
13839 and asking for further information  
I beg to reply that my grandfather, [Name]  
[Name] was alive in 1857 and was  
living with my grandmother Lydia  
[Name], in what was then [Name] Co.  
[Name] has been [Name] to [Name] [Name]  
[Name] [Name] in [Name]. It has been  
told that my grand father and my  
father were emigrants [Name] and

supposed they were enrolled under their  
proper names. My Grandfather's Chinese  
name, however, was Lurie Elm-nor-ni, and  
he may have enrolled under that name  
but I hardly think so. From what dis-  
trict they enrolled I do not know.

I have one aunt-in-law, Rose  
Downing, who has applied as the widow  
of my father's brother, John Downing.  
She lives in Pahrump district but I  
do not know the number of her applica-  
tion.

Information of this character is rather  
hard to obtain as we have no record  
from which to obtain such, as by a  
ruling of the department we were not  
allowed to use the records for such  
purposes. I have written to Mr

Samuel Star, who is consulting a  
history of Cherokee families, for such  
information as he can give me and  
as soon as I can hear from him  
will write you again in regard to  
the matter. Any further questions  
you may desire to ask I will be  
pleased to try and answer.

Sir:-

In reply to your letter of March

as far as I can learn my father,  
Samuel A Downing was better known  
by the name of Samuel. I had no  
brothers or sisters living in 1851.

My grand mother, Lydia Downing  
was not an old settler but an  
emigrant. These are the facts as  
near as I can ascertain.

App. #13840.

January 12, 1908.

Henry Balcy,  
Belvin, Okla.

Sir:-

You have on file in this office application #13840 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state you claim by right of your mother, Annie.

I beg to advise that the name of Annie does not appear upon the roll of 1851 either in the East or in the West. You state that your mother was named Hudson before marriage. Was she a full-blood Cherokee, or was she part White and part Indian or part Negro and part Indian? Was she, or were you, ever held as a slave by the Cherokee Indians in the East? Why does not your name appear upon the roll of 1851, and why does not your mother's name appear upon the roll of 1851? When did you leave the state of Tennessee and go to Oklahoma?

Your prompt reply will be appreciated.

Respectfully,

Special Commissioner.

Sir:-

You have on file in this office application #13841 for a share in the city of Cleveland for the Eastern Cherokees. In this, in which you state you claim by right of yourself and your father, Mitchell Cherokee.

I am to advise that I have in your case on the roll of your father upon the roll in 1841. Was your father a full-blooded Indian, or was he part Indian and part Negro or part Indian and part Negro? To what race did your mother belong? Was she Indian, white or Negro? Were you ever held as a slave by the Cherokee Indians at any time? I notice in a letter you have written the statement you state that your grandfather was "free". Is he your grandfather by that? Do you mean that they were held as slaves? Were he a full-blooded Indian and are now free of the Cherokee? Please state on which side the Negro blood comes, if you have Negro ancestors? Do you know of any reason why your name does not appear upon the roll?

Respectfully,

I've heard my father tell of his grandmother my great grandmother, Elizabeth Royston Callahan riding horse back alone from Ill. to Alabama after great grandfather was killed to get some money that was coming to her, I suppose from the treaty. She came out with the Cherokee as far as Springfield Mo. when they went west, two of her sons, and some slaves, went with the tribe.

Dr. Sir

By referring to Application No. 13842 you  
will find that I am an applicant for a benefit  
in the Eastern Cherokee case. My son Wm. A. T. Freeman  
made application for the same soon  
after I did, but made his application here in  
Missouri but has since moved to Long New  
Mexico.

Now if it is decided by the commission that  
we are entitled to a benefit in the above named  
case, will he have to come back to Mo. to receive  
his part or can he receive it in his own state  
there and do his business with the  
Department at Washington?

S. S.  
or can he have the  
benefit in his own state  
without coming to  
Missouri for it?

James W. Hardgrave, et al,

James W. Hardgrave, being duly sworn, deposes and says:

My name is James W. Hardgrave. I am 49 years old. I have Indian blood on both sides. My mother was a McCay. I have never been enrolled, and never made an application before. I never could get at Mr. McKee to see about it. I lived at Wagoner before coming here. My Indian blood comes through my mother and father both. Her name was Luiza McKee. She is dead. She lived in Arkansas, but was born in Tennessee, near Nashville. I do not know whether she was enrolled in 1851. Her name was Hardgrave then. Fayette Ward was my wife's cousin and he tried to get my people to come to this country. I have been told that my father was on the 1835 Roll. The Emigrant Cherokee Roll, and since then I have found out that he was. My father bought a lot of land in Arkansas and did not want to come here. My grandfather on my mother's side was Jim McKee and that is as far back as I can give you on my mother's side. My father was James Hardgrave who emigrated to this country in 1835 and married in St. Louis Louiza McKee. He came here and then to Illinois and then to Arkansas. I think my father was enrolled in 1835 but I do not know about 1851. My father's father was Louis Hardgrave. I do not know whether he was enrolled. He stopped in Arkansas, and then my father came on to this country and then to Arkansas. My grandmother's name on my father's side was Lawton. My people never received Old Settler money. I recollect when Lafayette McKee Ward and Jim McKee came to my family and tried to get them to come to this country. They never associated with any other tribe that I know of. Lafayette Ward was a relative of my mother and this McKee was an uncle of my mother. I do not know any more about it than this. W. R. Hardgrave and John dead, L. B. Hardgrave, and J. N. Hardgrave are my brothers. My mother had brothers: Jess McKee, Bill McKee, Grunder McKee and George McKee. My mother's father's name was Jim McKee. All of these McKees lived West. My father's brothers were: Cager Hardgrave; Lewis Hardgrave, my grandfather. Lucy Hardgrave was a sister to my father. Allen Hardgrave was an uncle. Abner and Thad Hardgrave were my father's brothers.

Julia Lee and J. N. Hardgrave, being duly sworn,  
deposes and says:

I am a brother to Jas. W. Hardgrave. We are both older than he is. He gets his Indian blood from his father's side, and from mother's side. Our grandmother on our mother's side was 1/4 Cherokee. My mother was Louiza McKee before marriage. Mother was never enrolled that I know of. Mother's mother's name was Russell but I do not remember her given name. She had a brother James Russell. I do not remember any sister she had. My mother had brothers and sisters, James McKee, / Jess McKee, William McKee, Felix McKee and George McKee; there was Martha, Susann and Gelina. My father's brothers and sisters were: Katie Hardgrave is the only one living; Allen Hardgrave, Thaddeus Hardgrave, Abner Hardgrave and George. They did not have any Indian names. I do not know of any nicknames. We thought our father's name was on the enrollment. He said the only way to get away from his father was to come to Arkansas and enroll with the Indians. He came in 1835-6. My great uncles were: Davis Hardgrave, Robert Hardgrave and Skelton Hardgrave. They had no Indian or nicknames that I know of. We were notified that there was a James Hardgrave on the books at Nashville, Tennessee. My father said that he was of Indian blood enough to get a right in the Cherokee nation and that he was enrolled with the Indians and lived with the Cherokee nation.

James M. Hardgrave,

Sir:-

You have on file in this office an application dated Jan. 1, 1896, for the Eastern Cherokee Indians, in which you state that you claim through your father, James Hardgrave, and your mother, Lucina Hardgrave, to be a Cherokee.

I am to advise that the names of your father and mother do not appear upon the roll of 1851. You state under question 2 that you cannot fix your father's and mother's parents, and will repeat some later. Have you been able to trace the said parents and determine the names of your father and mother? If so, please give their names. Did you know any your father, James Hardgrave, or your mother, Lucina Hardgrave, were not enrolled in 1851?

Were your people known as "Old Settlers" or Eastern or "Indian" Cherokee Indians?

Did your father, James Hardgrave, bear any other name than Hardgrave?--that is, was he enrolled under any other name in 1851?

Respectfully,

Special Commissioner.

Margaret L. Hall being first duly sworn deposes and says:

I am 36 years of age. I claim my Indian blood through my mother and she claims hers through her father, Nelson Carter. My mother is 65 years of age and now lives at Leonard, Texas. My mother's father died in 1887 and he was about 90 or 91 when he died. My mother was born in Georgia but I don't know the County. My mother went from Georgia to Indiana about the time of the war and came to Missouri in about 1879. Her father was born and raised in Georgia and I think he died there. I don't think my mother's father ever lived with the Indians as a member of the tribe. My mother nor her father were never enrolled. My mother's father was a one-half Indian. I am recognized as a white woman in the community where I live and so is my mother. This is the only application I ever made but my mother made application several years ago but she never got any papers or anything from it and I don't know who it was made to. I don't think Nelson Carter's parents were living in 1835. He derived his Indian blood from both of them. My husband is a white man and so are my sisters husbands.

Martha A. Belmont,

2310 South 12th Street,

St. Joseph, Missouri.

Madam:-

Replying to your note of June 11, 1907, on the bottom of our letter to you, you are advised that we have located your application and it is filed as No. 13847.

As you did not give your street address in the application the card receipt which we forwarded to you was returned, and we inclose the same herewith.

A supplemental application blank is inclosed, herewith, and if you have any minor children you should fill out the same and return to this office.

The applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 25,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

#2--Martha A. Felmet:

If there is anything further required in connection  
with your application you will be duly notified.

Very respectfully,

William H. Bushcarr,

Varnell, Whitfield Co., Ga.

Sir:-

You have on file in this office application 213848 for a share of the money appropriated for the Eastern Cherokee, in which you state that you claim through your mother, Eliza Baker, daughter of Elizabeth and Isaac Rame.

I am to advise that the names of Eliza, Elizabeth, Isaac and Rame do not appear upon the roll of 1891; are they your own names upon said roll? Do you know of any reason why your parents and grandparents were not enrolled in 1891? Are you full-blood Cherokee Indian, or part Indian and part white or part Rame and part Indian? Were any of your people, or were you, yourself, ever held as a slave by the Cherokee Indians?

Your prompt reply will be appreciated.

Special Commissioner.

From John F. Little

Enclosed in V.C.

Sir,

I have just received your letter of 28<sup>th</sup> to hand, and noted the fact that you were saying that I had a loss to the name of the father. I have always known the father as "William" instead of "William" on so far as I know the name was "William". There must have been an error on the part of the enrolling clerk in spelling the name and used an "M" instead of an "W".

There was a mistake on the part of the man who gave out my application. Daniel Elliot was not my father but was my Great uncle. I will now take up your questions in order.

I claim through my Mother and Grandmother.

1. The name of the mother is Mary F. Little. Her maiden name was Mary F. Little. She was the daughter of William F. Little, and his wife, Elizabeth F. Little. Her name was F. Little was a short for mother and in making my application I used the name of the mother (as I was told to do).

You will understand that Fida and  
Martha were one and the same person.  
Martha Fiddian's Maiden Name  
was Martha Elliot and was the daughter  
of Old Joseph F. F.

David Elliot was a son of Old Joseph  
and was my Grandmother's brother.

On my Father's side my Grandparents  
were Mr Fiddian and Mrs (Mabel Fida)  
Fiddian. James, Winford and Thomas  
Fiddian were sons of Mr and Mrs  
Fiddian and were my uncles.

As to Matilda Elliot I have no record  
to show the relationship.

I am at this time

Old Joseph F. F. was my Great Grandfather,  
Martha Fida Fiddian and my Grandmother  
and a daughter of Old Joe.

David Elliot was my Grandfather's uncle.

James Fiddian, Thomas Fiddian, were my  
Grandfather's and my uncles.

I cannot give the relationship of  
Matilda Elliot.

My Grandmother's name was Fida  
and she was the wife of Old Joseph
